

Project proposal

"A new family" - instant support for 58 children

Location

Village Guskë - Municipality of Gjakova

Project Manager

Pjetë Përgjoka

Description

The inhabitants of the village Guskë during the war crisis have found shelter in the Korenica Village. During the war the macabre massacres happen to this area, where the men of village Guskë have been part of number of the war victims of the surrounding villages. After this massacre 20 women become widowed. This project aims to instantly help 58 children. This assistance would help on preparing the children for new school year as well for the winter season.
